

The 14th edition of the **International Conference on e-Society** was held in Vilamoura, Algarve, Portugal, during **9 – 11 April, 2016**.

This conference was organized by the International Association for Development of the Information Society (IADIS).

This event concentrated on the main areas of concern within the Information Society. This conference covered both the technical as well as the non-technical aspects of the Information Society. The conference broad areas of interest were: e-Society and Digital Divide, e-Business / e-Commerce, eLearning, New Media and e-Society, Digital Services in e-Society, e-Government /e-Governance, e-Health, Information Systems, and Information Management.

The e-Society 2016 had 102 submissions from more than 21 countries. Each submission was anonymously reviewed by an average of four independent reviewers, to ensure the final high standard of the accepted submissions. Out of the papers submitted, 18 received blind referee ratings that signified acceptability for publication as full papers (acceptance rate of 18%), while some others were published as short papers, reflection papers and posters.

Extended versions of the best papers were selected to be published in:

- ❖ the Interactive Technology and Smart Education (ITSE) journal (ISSN: 1741-5659)

- ❖ the IADIS International Journal on WWW/Internet (IJWI). ISSN: 1645-7641

In addition to the presentation of papers, this event also included a keynote presentation by Dr. Anthony Brooks, Aalborg University, Denmark, a tutorial by Prof. Paul Nieuwenhuysen, Vrije Universiteit Brussel, Belgium and two invited speakers by Prof. Boyan Bontchev, Department of Software Engineering, Sofia University, Bulgaria and Drs. Mark Verhijde, Interim Programmamanager En Adviseur Stedelijke Ontwikkeling, The Netherlands.
