The 22nd edition of the **International Conference on e-Society** was held in Porto, Portugal, during **9 – 11 March, 2024**.

This conference was organized by the International Association for Development of the Information Society (IADIS).

This event focused on the main areas within Information Society. It covered both the technical as well as the non-technical aspects of the Information Society. The conference broad areas of interest were: e-Government / e-Governance, e-Business / e-Commerce, Technology and Society, e-Learning, New Media and E-Society, e-Health, Information Systems, and Information Management.

The e-Society 2024 was published jointly with 20th International Conference on Mobile Learning (ML 2024). These events received 185 submissions from more than 25 countries. Each submission was anonymously reviewed by an average of 4 independent reviewers, to ensure the final high standard of the accepted submissions. Out of the papers submitted, 32 received blind referee ratings that signified acceptability for publication as full papers (acceptance rate of 17%), while some other papers were published under the following categories: short, reflection, poster and doctoral.

Extended versions of the best papers were selected to be published in:

❖ the Interactive Technology and Smart Education (ITSE) journal (ISSN: 1741-5659)

❖ the IADIS International Journal on WWW/Internet (IJWI). ISSN: 1645-7641

In addition to the papers' presentations, the conference also included two keynote presentations by Professor Ashok Jashapara (Royal Holloway – University of London, School of Business & Management, Egham, United Kingdom) and Dr. Inmaculada Arnedillo-Sánchez (Associate Professor in Learning Technologies, Director of Industry Engagement, Trinity College Dublin, The University of Dublin, Ireland)

Keynote Presentation:

DECODING DECISION MAKING: AI SENSEMAKING AND THE AUTHENTICITY DILEMMA IN IS STRATEGY
by Professor Ashok Jashapara, Royal Holloway – University of London, School of Business & Management, Egham, United Kingdom

Keynote Presentation:

TWENTY-FIVE YEARS OF MOBILE LEARNING: THE GOOD THE BAD AND THE UGLY
by Dr. Inmaculada Arnedillo-Sánchez, Associate Professor in Learning Technologies, Director of Industry Engagement, Trinity College Dublin, The University of Dublin, Ireland

This conference presented once again a great opportunity to all their participants to discuss with success the most significant aspects regarding the theme e-Society.

The e-Society Conference 2024 was published in hard copy (ISBN: 978-989-8704-55-9) by IADIS Press.
